REGISTRATION FEES: 50 INR per head.

PRIZES WORTH 6,000

Imagination is a mighty power humans possess. While reading a story, one gets completely immersed into it due to Imagination. Writing prompt is a platform where one can show how flexible their imaginative powers are and have a medium to express their creativity.

RULES:

- There is no limit on the number of entries a single entrant can make. All entries will be considered anonymously by the judges.
- Under no circumstances can alterations be made to the content once submitted.
- In case of any discrepancies, the judges' decision is final.
- Use of any kind of electronic device is strictly prohibited.

PLOT-O-RACTER

REGISTRATION FEES: 50 INR per head.

PRIZES WORTH 3,000

There are many possible endings to the same story, and everyone views it differently on an individual level. Alternate plot gives the participants independence to decide for what could have been a better ending for a particular story. Alternate plot aims to make the contestants explore for how their brains work when it comes to creating imaginary situations.

RULES:

- The alternate plot must be original. Any plagiarism of any kind shall subject your entry to instant disqualification.
- Alternate plot length should preferably not exceed 300 words.
- The tense of the alternate plot needs to be maintained such that it can replace the chosen plot without damaging the flow of the chapter.
- The source of the original plot must be mentioned.

ROTARACT

BADLAAV

REGISTRATION FEES: 50 INR per head.

PRIZES WORTH 10,000

The event seeks to empower participants to become leaders and change-makers. Participating teams will get the opportunity to apply their lateral thinking skills to identify developmental issues at the bottom of the pyramid, develop ideas and implement strategies to address these issues. Finalists will get the chance to work with issues on ground and will get an opportunity to actually work on the motto, ultimately helping them in their endeavor to address the critical Social Entrepreneurship challenges.

RULES:

- Each team can have minimum 2 and maximum 10 members.
- Each team will have to have a team representative.
- All the members have to be there during the registration time
- Eligibility: Anybody willing can participate
- A person can register as a part of only one team for one event. Violation of this rule will lead to disqualification of the entire team. The organizer's decision shall be final in all matters.

CLUB FOR SOCIAL SCIENCES AND

RESEARCH

CHUNAAV

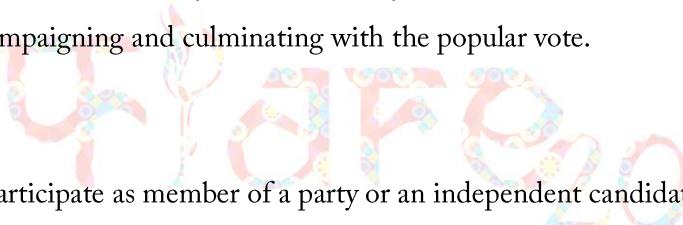

REGISTRATION FEES: 50 INR per head.

PRIZES WORTH 9,000

The objective of the event is to elect a party to form the government of a fictional country. The event will be a simulation of an election campaign for a fictional country where participants will be required to form their own parties, debate on certain key issues and spread their ideologies, culminating in a popular vote to decide the best party. The party members will also be required to campaign, mobilize people and garner more voters through their creativity, charisma and persuasion.

The event will begin with an introductory session taken by an EC member on election campaigns, followed by debate/discussion, campaigning and culminating with the popular vote.

RULES:

- 
- You can either participate as member of a party or an independent candidate.
 - To form a party **minimum 3** people are required. There is no limit for maximum no. of people in a party. You cannot choose existing parties.
 - Once the party is formed, you will have to assign your party a name, symbol and slogan, along with the ideology and vision, thus forming the manifesto.
 - A leader of party has to be chosen among the members.
 - There will be relevant questions thrown on the floor and one representative from each party will be required to answer. A panel of 3 judges will decide the best speaker among all the participants.
 - Following the debate/discussion, campaigning will commence where each party will be given a period of 2 hours to roam around the campus and mobilize as many people as possible to vote for them. They can be as creative as possible to convince people to come and vote.
 - After the 2-hour period ends, a one-hour window will be open for everyone to cast their vote. Everyone with a verified college ID card will be allowed to vote.
 - The party with the maximum votes will be declared the winner of the event and rewarded with a cash prize.
 - The party with the most creative name, logo and slogan will also be rewarded.
 - A candidate can use the following tools during the discussion-

- Point of information- If a candidate feels wrong information has been used during the discussion then he/she can raise 'point of information' to judges in order to rectify the information
- Point of enquiry- If a candidate has any query regarding the procedure then the candidate can raise 'point of enquiry' to clear his/her doubt.
- Point of personal privilege- If a candidate needs any assistance like water or tea then he/she can raise 'point of privilege'.
- Point for defect- If a candidate wants to defect to another party during the discussion then he/she can with the permission of the party he/she wishes to join. A person can also leave a party to become an independent candidate.

PRE-FLARE

MAKE IN(G) INDIA

REGISTRATION FEES: 50 INR per head.

PRIZES WORTH 10,000

RULES:

- The event is a simulation of the Constituent Assembly, and the year is 1947.
- The aim is the creation of an Objective Resolution, which will provide the philosophy and guiding principles for framing the Constitution, by the house as a whole.
- The house shall discuss, debate and seek to answer three fundamental questions, namely:
 - a. What kind of political system should India adopt?
 - b. What will be the role of religion in this new state?
 - c. What kind of economic model/ideology should India adopt?
- Each participant will have 3-4 minutes to present their argument for each topic, following which there will be a vote regarding the same.
- Additional topics may be discussed if a participant proposes it and the house votes to discuss it.
- Participants will be allotted a British Province/Princely State beforehand, and provided with a handbook for background knowledge and reading references. In the case of British Provinces, the political parties they represent will also be specified. Their arguments must be guided by the historical position of the constituency they are representing.
- Participants will be judged on the quality and clarity of their arguments, historical knowledge, and presentation.
